MAHCM Cohort 2013

Important deadlines

Semester:	Registration period:
Spring 2014	Nov 4 - Dec 20, 2013
Summer 2014	March - April 2014
Fall 2014	March - May 2014

The Registration Period is listed on the Academic Calendar each year.

Registration Information

Be certain to check the number of intensives that you will have during one semester! Sometimes courses end up stretching from one semester to the next and so two courses end up on one registration form. The general rule - the start date of the course indicates which semester the course falls into.

If you do not already have an electronic signature, create one by following the directions here: http://bsc.untsystem.edu/sites/default/files/digital_signature_instructions.pdf

Registration Process

Find the Registration and Payment form on ai.edu under 'Current Students' and then under 'Registration.'

Fill out personal information (you do not need to know your SID) and add your course numbers and course names. The document is designed to auto-fill much of the financial information, so please double check that the correct boxes are checked and the proper tuition amount is used (that info is on the registration form).

If you have any questions about your registration, email the form to your advisor **before** you add your payment information.

If you do not already have one, create a digital signature. The software will walk you through that process step by step.

When you are ready to register, you can click on the email button at the bottom of the form OR you can save the file and email it as an attachment to registrar@ai.edu. We cannot accept forms which have not been signed.

MAHCM Cohort 2013
