Have you registered with your advisor for CPE yet? YES NO

If no, please do so: In order to receive four credit hours on your transcript for a unit of CPE, you must register for CPE through your faculty adviser at the time of spring, summer, or fall registration. You will not be billed tuition for CPE credits; still, you must register. To receive a passing credit, you must turn in your supervisor's final evaluation, your own evaluation, and make an appointment for an exit interview with the Field Education Director at the beginning of the semester following your CPE program.
