Doctor of Ministry in Preaching — 2010 cohort

What attracted you to the D. Min. program at Aquinas Institute?

After being an itinerant retreat and mission preacher, I felt very inadequate continuing with the same style of preaching. So I needed to update myself.

How have doctoral studies helped you grow as a preacher?

Being exposed to different preaching traditions has enriched the quality of my preaching with *practical and pastoral wisdom*. Most specifically, it has awakened for me the wisdom of women, which was completely absent in my male-only consciousness.

Describe the D. Min. in Preaching program in a short phrase.

### **Wisdom in the Pulpit!**

Why should someone consider applying to the D. Min. in Preaching degree program at Aquinas Institute?

Above all else, the focus on the cohort style of learning — that is, together with lay and non-Catholic preachers — will help refine and enlighten your preaching ministry.

**No serious preacher should miss out on it.**

- Nourish your spirit in a diverse, ecumenical community —
- Preach persuasive sermons based on sound theology —
- Continue working fulltime while you study from home —
