Registration Information

Sometimes courses end up stretching from one semester to the next and so two courses end up on one registration form. The general rule - the start date of the course indicates which semester the course falls into.

If you do not already have an electronic signature, create one by following the directions here: http://bsc.untsystem.edu/sites/default/files/digital_signature_instructions.pdf OR google 'creating a digital signature' and there are many tutorials.

Information about the registration period can be found on the Academic Calendar, the Aquinas E-news, and from your advisor or program director.

Registration Process

Find the Registration and Payment form on ai.edu under 'Current Students' and then under 'Registration.'

Fill out personal information and your course numbers and course names. Please pretend that we have no idea what class you should be in and so we need the entire course number (prefix AND section numbers)! The document is designed to auto-fill much of the financial information, so please double check that the correct boxes are checked and the proper tuition amount is used (that info is on the registration form). If you have any questions about your registration, email the form to your advisor **before** you add your payment information.

When you are ready to register, you can click on the email button at the bottom of the form OR you can save the file and email it as an attachment to lingua@ai.edu. We can also accept forms in the mail. We **cannot** accept forms which have not been signed.
