

EMAHCM Cohort 2017

Registration Dates

Please see [Academic Calendar](#) for Registration dates. Registrations not submitted by the end of the Registration period will be assessed a late registration fee.

The EMAHCM cohort will register by TERM. Each term is comprised of two sessions.

Registration Information

When in doubt regarding intensive dates - your advisor is the final word (not this guide).

If your employer will be paying your tuition, you may send them the link provided in Populi or use your corporate credit card to make a payment. Statements may be printed from your Populi account.

Remember, you should always have about 7 credit hours each term (each session 3.5 cr hours). Please be attentive to the course and section numbers. The section number for this cohort will always remain the same.

EMAHCM registration is by term. Payment for both sessions is due at the beginning of the semester.

Registration Process

Meet with your academic advisor to discuss your progress in the program. After you have met with your advisor, he/she will remove the registration lock on your Populi account. Log in to Populi and register.

Fees, financial aid, and prior balances will be applied to your account before an invoice is created. Please check these over for errors.

After your account has been invoiced, you will be able to make your payment and complete your registration.

Full payment (or a payment plan) must be made before the semester begins. Aquinas does not bill third parties for payment. There is, however, a link from your Populi account which you can send to allow others to pay your tuition. The student is responsible for tuition and fees. If a student has not paid by the due date, he/she will be removed from the course until payment arrangements can be made.
